

ELEVATION IN METERS

U.S. Department of the Interior
United States Geological Survey
Bases scanned from U.S. Geological
Survey Bay Region Topographic
Sheets, scale 1:250,000, 1975
(Arken, D.S., 1997, USGS OFR 97-500)
Universal Transverse Mercator
projection, Zone 10

This map is a plot derived from
data contained in the digital database
Open-File Report 98-625, "Elevation map of
the San Francisco Bay Region." The Open-File
Report does not contain a paper copy of
the map. The Open-File Report consists
of the digital data and a pamphlet
explaining the database and indicating
how to obtain the data from which this map
was prepared.

This report is preliminary and has not
been reviewed for conformity with U.S.
Geological Survey editorial standards
or with the North American Stratigraphic
Code. Any use of trade product, or
firm names is for descriptive purposes
only and does not imply endorsement by
the U.S. Government.
The database identified as "Elevation
map of the San Francisco Bay Region"
has been approved for release and
publication by the director of the USGS.
Although this database has been subjected
to rigorous review and is substantially
complete, the USGS reserves the right
to revise the data pursuant to further
analysis and review.
Furthermore, it is released on condition
that neither the USGS nor the United
States Government may be held liable for
any damages resulting from its authorized
or unauthorized use.
